Chakoian, 2016-08-16 This Covenant experience will guide participants in a comprehensive in depth study of the Bible over twenty four weeks Unlike the learning participants may have experienced in other groups this in depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments It underscores the unique relationship that God chooses to have with us as God's people This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others Each episode connects to an aspect of this covenant relationship which is summarized in the heading of each participant guide LIFE AS WE ALL KNOW TOO WELL IS IMPERFECT Difficulties are inevitable That's why the final eight weeks Trusting the Covenant looks at the crises that sometimes call covenant life into question and how we are restored to trust in God when troubling things happen This module discusses the loss of hope and how it is restored by faithfulness in the midst of suffering From the story of Job to the Hebrew exile to the apocalyptic visions in Daniel and Revelation we learn how faithful love is at work in everything to restore hope freedom and wholeness to our lives Each participant in the group needs the Participant Guides and a Bible The CEB Study Bible is preferred The Trusting Participant Guide is 8 weeks long and has a lay flat binding making it easy to take notes in the generous space provided on each page The Trusting Participant Guide contains the following episodes Episode 17 John 1 2 and 3 John For John the God we meet in Jesus is the one who keeps coming into the world going out of the way to be in relationship with us Jesus meets his followers in whatever ways they need with new and abundant life Jesus draws people back into community and promises the Holy Spirit to those who follow him Episode 18 Psalms Psalms are songs poems and

prayers to and about God There is diversity of authorship across the Psalms Three major types of psalms are laments thanksgiving psalms and psalms of praise The psalms are user friendly and give voice to our conflicts confessions and cries for God s rescuing help The Psalms teach us how to pray and that God s primary character trait is faithful love Episode 19 Job Like the Bible as a whole the book of Job offers a number of voices or perspectives Job stages difficult human questions such as Why do human beings worship God or Why do people suffer and even what is God s role in suffering The book of Job also asks Does good behavior bring blessing and Does bad behavior bring curse and suffering Episode 20 Jeremiah Lamentations Ezekiel Jeremiah Lamentations and Ezekiel offer three different perspectives on the same catastrophic event the Babylonian destruction of Jerusalem in 587 CE and the exile of God s people to a foreign land These books affirm the power of lingering with sorrow so we can hear the voices of those who are suffering Any hope found in these books remains in the promise that God will bring life to dry bones or write a new covenant on hearts in a blessed but distant future Episode 21 Isaiah 40 66 The story of how Israel gained and lost the land becomes a treasure that they carry with them into exile The poetry in these passages is written to inspire and invite God s homesick people in Babylon to become pioneers and return home to Israel The God of Israel is no regional deity but is the one and only God of all everywhere and all the time Through fire and water chaos and captivity the people called by God and redeemed by God also belong to God Episode 22 1 and 2 Chronicles Ezra Nehemiah The people returning home from exile in successive waves must rebuild their whole way of life Ezra and Nehemiah look at the practical need for city walls and a center for worship The Chronicler stresses the importance of re remembering our story in the right way in order to understand who we are in this new life The practices that sustained the people in exile will define a people who weren t old enough to remember life before exile Episode 23 Apocalyptic Daniel Apocalyptic literature is not primarily about future events It looks at traumatic events in the present and finds a divine plan at work By using vivid symbols and imagery the court tales and visions of Daniel stress that God is ultimately controls human events The identity of faithful people is defined by living faithfully according to the covenant teachings in a context where those values are under threat Faith has its price but our hope in God empowers us to never give up Episode 24 Revelation Revelation is a book written for poor people struggling under great duress It uses vivid terrifying images to express God s unswerving faithfulness and the faithfulness of those who stand firm in the face of dehumanizing forces in the world The symbol of hope in Revelation is the new creation and loyal love between God and the faithful This symbol provides comfort courage and assurance that the one who made a covenant with all things at the very beginning will be with us at the end of all things More Questions Visit <http://covenantbiblestudy.com> for more information

The Book of Romans Community Bible Institute, Gayla Holley, 2023-10-12 Welcome to the Community Bible Institute Thank you for your interest in knowing what the actual New Testament says word for word The Community Bible Institute provides a fresh learning experience to discover exactly what was written for our admonishment Each book of the New Testament is made into interactive study books with

four possible answers for each question and verse Finding out how well you know each chapter and verse helps one retain the word of God much better Our individual Courses are written from the King James Version Why use this translation Because it s original it contains the truth in ancient text and nothing is left out while the meaning of words remains intact Many people around the world also have this KJV version making it practical for usage anywhere There are 11 Courses to complete in the entire New Testament in CBI You choose the answer you think is best by using your Bible alongside each book We have included the correct answers in the back of the book so that after you have taken the entire course you can self grade your own final exam and see how well you did The point is to learn the importance of knowing the word of God in your own heart and soul not to gather grades This makes CBI different from most institutions and the grading system is unique based on your growing understanding and honesty truly adding knowledge to what you already know For the questions you answered incorrectly simply go back and relearn what is written in those verses Furthermore there is another very important reason to join the growing number of students looking to add to their faith virtue and knowledge Each student who enrolls in the CBI Courses is helping to provide the same study book for someone who is in prison So the cost of your Course book covers the expense of shipping the same materials to a man or woman who is incarcerated This invaluable ministry to those who are in prison is provided for by each enrollment fee This reflects the ministry Jesus spoke of in Matthew 25 which speaks of when I was in prison did you visit Me You can join us in obeying this mandate from our Lord When you order a CBI New Testament Course book we also ship one to each of our students shedding light into darkness in each life The cost is 25 00 per study book This includes a book for you and also covers the costs for a book to be sent to an imprisoned individual waiting for a CBI Course to study across America We know this way of study will benefit you spiritually and change two lives yours and someone you will meet one day in heaven In His Service Dr Gayla Holley President Community Bible Institute
