**Our Greatest Treasure** Cy Mersereau, 2017-01-20 Is the Bible a trustworthy document or is it filled with errors and contradictions as claimed by the skeptics In Our Greatest Treasure we examine the evidence Less than two centuries ago many scholars argued convincingly that the Hittites never existed even though they are mentioned in the Bible more than fifty times The unearthing of their massive library in Turkey has revealed an advanced civilization that once rivalled both Egypt and Assyria Not many years ago Ahab s house of ivory was considered impossible but not now His wife Jezebel was dismissed as a fictional character inserted into the text to arouse interest but the recent discovery of her signet ring with her name clearly discernible has silenced the critics At one time historians were convinced that Gallio in Acts 18 never existed but the spade of the archaeologists has uncovered his name his position as Proconsul of Achaia and even the time of his service in Corinth Men and women from both distant times and the present have had their lives transformed by
