

THEMES OF CATHOLIC SOCIAL TEACHING

The Church's social teaching is a rich treasure of wisdom about building a just society and living lives of holiness amidst the challenges of modern society.

Adapted from the USCCB: <http://www.usccb.org/>

1 DIGNITY OF THE HUMAN PERSON

Human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. Every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

2 FAMILY & COMMUNITY

How we organize our society -- in economics and politics, in law and policy -- directly affects human dignity and the capacity of individuals to grow in community. People have a right and a duty to participate in society, seeking together the common good and well-being of all.

3 RIGHTS & RESPONSIBILITIES

Every person has a fundamental right to life and a right to those things required for human decency. Corresponding to these rights are duties and responsibilities -- to one another, to our families, and to the larger society.

4 OPTION FOR THE POOR

A basic moral test is how our most vulnerable members are faring. In a society marred by deepening divisions between rich and poor, our tradition recalls the story of the Last Judgment (Mt 25:31-46) and instructs us to put the needs of the poor and vulnerable first.

5 DIGNITY OF WORK

The basic rights of workers must be respected--the right to productive work, to decent and fair wages, to the organization and joining of unions, to private property, and to economic initiative.

6 SOLIDARITY

We are one human family whatever our national, racial, ethnic, economic, and ideological differences. We are our brothers and sisters keepers, wherever they may be. Our love for all our sisters and brothers demands that we promote peace together.

7 CARE FOR GOD'S CREATION

We show our respect for the Creator by our stewardship of creation. We are called to protect people and the planet, living our faith in relationship with all of God's creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored.
