Bootcamp Blowout Military Mayhem 1:

Basic Jack Jacobs, David Fisher, 2012-05-08 The award winning author and Medal of Honor recipient shares an insider's history of bootcamp that's authentic, entertaining, and often funny as hell. Corporal Brian Dennehy Ret. Every American fighting man and woman share one thing in common: they have all survived basic military training. *Basic* tells the story of that training. Col. Jack Jacobs and co-author David Fisher recount the funny, sad, dramatic, poignant, and sometimes crazy history of how America has trained its military, told through the personal accounts of those who remember the experiences as if they happened yesterday. If you've been through bootcamp, these memories of drill instructors, marching chants, combat training, hospital corners, and the shared feeling of triumph are guaranteed to make you smile. And those who haven't done it will understand and appreciate this life-changing experience that turns a civilian into a soldier in just eight weeks. *The Ultimate Air Force Basic Training Guidebook* Nicholas Van Wormer, 2010 A guidebook to what to expect in Air Force basic training, written by a 2007 graduate of the program. Topics covered include a history of the Air Force, talking to a recruiter, preparing for boot camp, military protocol and ranks, and what to expect in a week-by-week breakdown of basic training.
