

# Hatchet

By Gary Paulsen

Vance Cruz

Mrs. Prano - 5<sup>th</sup> grade

## Setting

The setting for Hatchet takes place in the Canadian woods by a lake. Brian is lonely and stuck in the woods. He builds a shelter and hunts for food that is scarce in the woods. The woods are filled with mysterious creatures and harsh climates.

## Characters

There are very few characters that are in the book. The main character is Brian who is very smart, depressed, sensitive and constantly frustrated. There are also his divorced parents, the pilot and his friend Terry. Terry has similar character traits like Brian but is more humorous than Brian. The pilot had a very small role in the story but played a big part in the story.

## Purpose

The Author's purpose in the story was to entertain.

## Summary

Hatchet is an interesting book! The book is about a boy named Brian who was traveling to Canada to visit his dad when the pilot had a heart attack and died during the flight. The plane crashes in the Canadian woods and Brian survives. Brian is all alone for 12 days and becomes depressed and frustrated because of "the doctor" his dad had told him. When a female hawk flies off with a "nest" Brian remembers things he had learned on the plane and later when a plane crashes to rescue him. It is a great ending to the book because it has action and suspense and teaches you how to survive. How would you feel if you were stuck alone?

## Conflict

Brian takes a trip to Canada to visit his dad. During the flight, the pilot has a heart attack and dies. The conflict is that Brian doesn't know how to get help or find his way out of the woods. He doesn't know what to do and waits for a search party to come and rescue him. He must also figure out how to survive in the woods until he is rescued.

## Solution

Brian finds a way how to survive. He uses the hatchet his mom gave him to cut through the plane he crashed in and make the things he could use. He finds food, water, a tent and an axe and makes the wood into some type of radio receiver and presses random buttons to signal for help. When a plane comes to rescue him in the woods, it was Brian's lucky day!

## Topic

I think the topic of the book is perseverance. In the book, Brian struggles with the woods and must survive on his own. He kept trying to communicate with his parents and when they didn't call him back, he started to give up. He started to give up but he kept trying to get help. He a great person because he didn't give up and he kept trying to get help. He was a great person because he didn't give up and he kept trying to get help.
