The rules and regulations referenced in this manual are from the Code of Federal Regulations, 29 CFR 1910 and 29 CFR 1926 (OSHA). Copies of Federal and State Regulations are available from the appropriate agencies. Also included are general safe work rules in effect at many industrial locations, which may vary in content and practice from one location to another.

The user of this Study Guide is cautioned that the regulations regarding safety and health are constantly changing at the local, state, and federal level. Portions of this manual relating to specific regulations may become outdated at any time.

This program contains information on State and Federal Regulations intended to comply with both the spirit and letter of the law. For more detailed information, the user is urged to review the actual text of the regulations that affect the specific areas presented in the program.

This manual may not cover all regulations that govern the safety and health of a worker in an industrial location, nor is it a substitute for legal counsel.
