Can you answer the following two questions? Why do currencies move in the manner that they do? How can you make a profit off those movements? It's okay that you may have a partial answer or feel that you may be incorrect in your thoughts. You are a beginner in the forex market. You are trying to find a forex trading guide that will help answer your questions and turn your investment desires into profit. You should read this book if:

- 1 You have time to study the forex market conditions and learn about currency movements.
- 2 You have the energy to keep up with your chosen investment strategy.
- 3 You are able to turn your emotions off and realize that not all trades are profitable.
- 4 You know there are no magic solutions and one size fits all strategies.

This book is going to teach you many concepts about forex trading, including three strategies you can employ as well as the best choice strategy. The topics you will learn include:

- 1 The definition of forex trading.
- 2 The players and when to trade.
- 3 What to trade.
- 4 What pips are and the pip spread.
- 5 Common mistakes.
- 6 The fundamental strategy.
- 7 The technical strategy.
- 8 The best trading strategy.

At the end of this book, you will know your risk aversion, how to enter and exit a trade position with less risk, how to avoid the mistakes other beginners and some long-term traders make. You owe it to yourself to understand the market, how it moves, why it moves, and who the players are, so you can make a profit most of the time. No one wins each time, but you can have a profit at the end of the year with fewer losses if you take the suggestions in this book to heart. You have what it takes to be a forex trader. You do not need to fear what others say about the market being complicated and too risky because you are starting out right. You know that you need information before you jump in with your hard-earned capital. Start now. Don't delay. You can be earning money within the month with forex based on your learning rate. You can also take a year to learn the concepts, study the market, and start making money. No one is going to shame you because you raced to finish the book or took your time. You will know when you are ready to invest and make a profit. Forex is waiting for you along with the piece of profit you can gain with the 4 trillion traded each day in the market.
