Cocky Jenny Rose, 2015-07-17 Teri Baxter was a girl who had it all. She was almost finished with college, had a boyfriend, and shared an apartment with her best friend. Then everything changed. Recently single and moving from her apartment, she finds herself staying in her mother's guesthouse with her handsome stepbrother Carter. Carter is a super rich playboy who happens to be selling his home at the same time she also needs to use the guesthouse, so the two of them become roommates once again, the first time since they were teenagers. Carter's raucous lovemaking and wild lifestyle soon start to cramp Teri's style, and he takes notice of her rigid temperament and decides to take his uptight sister out for a night on the town. Seeing her recent ex-boyfriend getting cozy with another woman at the club sends Teri's mind spinning, but Carter knows just how to get under the cheater's skin. One seemingly helpful move turns into a night that sends the relationship between the two into a whirlwind, and Teri can't help but be swept away by her overly confident stepbrother. Things get heated when her mother decides that the whole family will go on a vacation together, and Teri must try and maintain her sisterly facade with the man who has recently given her so much pleasure. Can she maintain her innocent charade for the sake of her mother, or will her desire for him give her away? Are things like they seem with the Baxter-Cole clan, or do feelings run much deeper than they appear on the outside?

Huge Stephanie Brother, 2019-09-13 I didn't mean to see it. It's his fault for leaving his door open while he was getting changed. I've seen my stepbrother's gorgeous ripped body before and have been half in love with him since he moved into my house. He's cocky and sexy, and when he calls me princess, I want to punch him in the mouth. But I've never seen a dick that big, and now that I have, I can't seem to think of anything else I want him, but crossing the line could risk the happiness of our new home. Harrison would never make the first move, so I guess I'm going to have to find a way. And the masked Halloween party at his best friend's house seems like too good an opportunity to pass up.
