Code of Conduct ,2015 Hidden deep within one of the world s most powerful organizations is a secret committee with a devastating agenda Its members are afforded incredible protections considered elites untouchables But when four seconds of video is captured halfway around the world and anonymously transmitted to D C covert wheels are set in motion and counterterrorism operative Scot Harvath is tapped to undertake the deadliest assignment of his career What begins as a favor will evolve into a globe spanning drama of highly personal stakes played out against a backdrop of stunning international intrigue duplicitous political gamesmanship and the darkest most clandestine fears of the espionage world

Genres of Emergency Ayelet Ben-Yishai,2023 Genres of Emergency offers literary genre as a way to understand and negotiate the varied states of emergency and crisis that have become a fixture of our contemporary world Building on a critical study of the literature written during and about the State of Emergency declared by Prime Minister Indira Gandhi in India 1975 1977 the study establishes emergency and its genres as an important interpretative site an exceptionally violent episode marked as a one off crisis which also functions as a locus for an ongoing renegotiation of a modern polity and culture Reading a wide ranging archive of English language texts from prison memoir to popular magazine from high brow literary fiction to boilerplate thriller from the unrelentingly realistic to the mythically allegorical Genres of Emergency traces the tension between crisis and continuity that these genres mediate In addressing this tension the authors of Emergency fiction take seriously the genres in which they write and use them to mobilize literary conventions as political interventions More specifically these novels use the conventions of realism epic allegory and the

thriller to reach back in time and across cultures and languages invoking past iterations of these genres and histories and anticipating those to come Combining literary criticism with cultural history Genres of Emergency thus has implications for the study of literary genre for the historical events that these genres recount and for understanding the politics of literary form

What's the Worst Thing You Can Do to Shakespeare? R. Burt,J. Yates,2013-07-17 What s the worst thing you can do to Shakespeare The answer is simple don t read him To that end Richard Burt and Julian Yates embark on a project of un reading the Bard turning the conventional challenges into a roadmap for textual analysis and a thorough reconsideration of the plays in light of their absorption into global culture

Gospel Thrillers Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible s sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in *Gospel Thrillers* a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties

Rules of Conflict Kristine Smith,2009-10-06 Anarchy Rules For eighteen years Captain Jani Kilian has been hiding from her bloody past Now she faces trial for what she once did what she knows now and what she has become Eighteen years ago she was saved by a radical and illegal medical procedure that added alien genetic material to her own But her hybrid body is breaking down And so is everything else Relations between the human and alien idomeni races are deteriorating as rapidly as Jani Kilian's augmentation And Jani's reemergence has caused old wounds to reopen and new wounds to form Perhaps it's time for a damaged soldier to stop fighting to let the desperate architects of a vast and devouring conspiracy keep the truth well hidden to let the universe and everyone in it go straight to Hell Perhaps not

Books and Bookmen,1960 *A Literary Symbiosis* Hazel Pierce,1983-11-16 A Literary Symbiosis studies the merger of science fiction fantasy and mystery fiction from historical and critical perspectives Pierce examines the problems and

expectations raised by the various literary labels particularly as regards definition theme conventions stock characters and setting While she admits the difficulties inherent in merging idea oriented speculative science fiction with the situation specific and present time oriented mystery story she argues that the two genres have much in common The book examines critically the elements of mystery fiction which have been integrated with varying degrees of success into science fiction fantasy This evaluation focuses on individual authors and novels or short stories which contributed to the original modes and to their synthesis
