## **Cognitive Surplus Creativity And Generosity In A Connected Age:**

*Cognitive Surplus* Clay Shirky, 2010-06-10 The author of the breakout hit *Here Comes Everybody* reveals how new technology is changing us for the better In his bestselling *Here Comes Everybody* Internet guru Clay Shirky provided readers with a much needed primer for the digital age Now with *Cognitive Surplus* he reveals how new digital technology is unleashing a torrent of creative production that will transform our world For the first time people are embracing new media that allow them to pool their efforts at vanishingly low cost The results of this aggregated effort range from mind expanding reference tools like Wikipedia to life saving Web sites like Ushahidi com which allows Kenyans to report acts of violence in real time *Cognitive Surplus* explores what's possible when people unite to use their intellect energy and time for the greater good

**Cognitive Surplus** Clay Shirky, **Cognitive Surplus** Clay Shirky, 2010 The author of *Here Comes Everybody* explains how new media technologies are prompting a return from consumerism to collaboration making predictions about imminent wide scale creative innovations that will positively transform civilization

*The Anti-Education Era* James Paul Gee, 2024-06-04 One of the first champions of the positive effects of gaming reveals the dark side of today's digital and social media Today's schools are eager to use the latest technology in the classroom but rather than improving learning the new e media can just as easily narrow students horizons Education innovator James Paul Gee first documented the educational benefits of gaming a decade ago in his classic *What Video Games Have to Teach Us About Learning and Literacy* Now with digital and social media at the center of modern life he issues an important warning that groundbreaking new technologies far from revolutionizing schooling can stymie the next generation's ability to resolve deep global challenges The solution and perhaps our children's future lies in what Gee calls synchronized intelligence a way of organizing people and their digital tools to solve problems produce knowledge and allow people to count and contribute Gee explores important strategies and tools for today's parents educators and policy makers including virtual worlds artificial tutors and ways to create collective intelligence where everyday people can solve hard problems By harnessing the power of human creativity with interactional and technological sophistication we can finally overcome the limitations of today's failing educational system and solve problems in our high risk global world *The Anti Education Era* is a powerful and important call to reshape digital learning engage children in a meaningful educational experience and bridge inequality

**Cosmopolitanism** Francesco Ghia, Lorena Cebolla Sanahuja, 2015-11-25 *Cosmopolitanism* is the idea of humanity as a single community or polis Beyond particularities all human beings and in some versions of cosmopolitanism certain non humans are part of a community and have responsibilities rights and the power to decide on a common future Ideas of cosmopolitan vary from the purely moral to cultural social legal institutional political educational and economic cosmopolitanism or combine some or all of these facets All of these different perspectives try to establish the basis necessary to create a true cosmopolitanism This book provides an introduction to the ideality and reality of cosmopolitanism presenting it in genesis and giving a point of departure to students

and readers of cosmopolitanism from which to analyse its various contemporary versions and proposals providing an additional tool for their thinking and judgments in the face of a huge amount of literature today It also offers a sense of emergency to those matters requiring a prompt legal political and economic response for the continuing existence of the planet and for cosmopolitanism to continue as a viable proposal for humanity As such this volume will ultimately provoke the reader into a new spirit and action that of cosmopolitanism
