

Following is the way to test the Airtel Digital TV universal remote control procedure.

1. Press the Volume and Channel buttons together until the light starts to blink.
2. Release the buttons and press the TV button once by once (not together).
3. The light will blink again for a minute, now press the button.

Reprogramming

There are 13 main functions which you can use. Airtel remote has 13 channels about your TV.

- | | | |
|------------------|------------------|------------|
| 1. TV Power code | 1. TV Mute code | 1. TV code |
| 4. TV VOL + code | 1. TV VOL - code | |

Steps for Universal Remote Setup

Step 1: Bring the Airtel Digital TV remote control in a long mode. Press and hold "OK + Power" for 10 seconds. The light will blink to indicate that you are in universal mode.

Step 2: Hold the source remote and the universal remote front of each other (face to face).

Step 3: Press & release the key 0 (zero) on universal and source remote (reference to the program code list).

Example: Press and release the TV Power key on both remotes and press 1. The Airtel remote starts to blink indicating successful learning of TV power code.

Step 4: Now Press & release the key for both remotes (reference to the code list).

Step 5: Press "OK" on both remotes to save the new information about your TV. The light will blink to indicate successful transfer of knowledge from source to universal TV remote. The new code information

After programming being four times, it means the learning is ok. See the figure 1 again.

Media Economics and Management Sathya Prakash Elavarthi, Sunitha Chitrapu, 2021-09-27. This book offers a comprehensive understanding of key concepts and terms in media economics and management and explains their applications using relevant data. Beginning with a conceptual study of media markets, industry structures, firm behaviour, public policy, production, pricing, and consumption choices in media industries, the book uses the framework to present an in-depth examination of the management of four major media industry sectors in India: newspaper publishing, television broadcasting, film, and digital media industries. It also deals with two topics relevant across media business sectors: creative industries approaches and copyright issues. The book discusses the economic forces and factors that shape the workings of media industries and institutions in India to highlight trends in a business that is rapidly evolving, highly profitable, and marked by regional linguistic, economic, and cultural diversity. This volume is a step towards formalising the emerging field of media economics and management within the discipline of mass communication and journalism as an area of research and education in India. An accessible guide to the basic principles and concepts of media economics and management with illustrations from Indian and global media industries, this will be an essential resource for students, researchers, and teachers of media and communication studies, media economics and management, political economy, and sociology, as well as for professionals in media industries. **Annual Report** India.
