Handbook of Response to Intervention and Multi-Tiered Systems of Support Paige C. Pullen, Michael J.

Kennedy, 2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention

Essentials of Response to Intervention Amanda M. VanDerHeyden, Matthew K. Burns, 2010-03-08 Quickly acquire the knowledge and skills you need to accurately and effectively implement Response to Intervention RTI programs As adoption of the RTI model grows professionals such as educational diagnosticians school psychologists general and special education teachers and school administrators are eager to find resources that describe the theory behind it and provide useful guidelines for its effective implementation Packaged in the user friendly Essentials series format and authored by two RTI experts Essentials of Response to Intervention provides just that resource This book offers a concise overview of the features of RTI instruction for its implementation and post implementation guidelines for assessing whether a program has been effective Like all the volumes in the Essentials of Psychological Assessment series this book is designed to help busy mental health practitioners and those in training quickly acquire the psychoeducational assessment knowledge and skills they need Each concise chapter features numerous callout boxes highlighting key concepts bulleted points and extensive illustrative material as well as test questions that help you to gauge and reinforce your grasp of the information covered Complete with a Foreword by Jim Ysseldyke Essentials of Response to Intervention offers rich and up to date information on obtaining meaningful data for decision making evaluation of the research base for RTI and clinical applications of RTI Other titles in the Essentials of Psychological Assessment series Essentials of WISC IV Assessment Second Edition Essentials of Cross Battery Assessment Second Edition Essentials of Evidence Based Academic Interventions Essentials of WJ IIIITM Cognitive Abilities Assessment Essentials of WJ IIIITM Tests of Achievement Assessment Essentials of WIAT III and KTEA II Assessment Essentials of Processing Assessment Essentials of Assessment Report Writing [Delivering Intensive, Individualized Interventions to Children and Youth with Learning and Behavioral Disabilities](#) Melody Tankersley, Bryan G.
