

The background of the entire page is a high-quality photograph of several Timken bearings. In the upper half, two bearings are shown from a top-down perspective, revealing their internal balls and the 'TIMKEN' branding on the outer rings. The lower half of the page features a close-up of two bearings mounted on metal shafts, showing the intricate details of the raceways and the mounting flanges. The lighting is dramatic, highlighting the metallic textures and the precision engineering of the components.
