Bece 2014 Socail Studies

Rachel S Tattersall

Bece 2014 Socail Studies:

History Can Bite Denise Bantovato, Karina V. Korostelina, Martina Schulze, 2016-10-10 The volume provides critical insights into approaches adopted by curricula textbooks and teachers around the world when teaching about the past in the wake of civil war and mass violence discerning some of the key challenges and opportunities involved in such endeavors The contributors discuss ways in which history teaching has acted as a political tool that has at times been guilty of exacerbating inter group conflicts It also highlights history teaching as an important component of reconciliation attempts showcasing examples of curricular reform and textbook revision after conflict and discussing how the contestations and difficulties surrounding such processes were addressed in different post conflict societies Education Policies and Practices in the Global South, Volume One Muhammad Azeem Ashraf, Samson Maekelle Tsegay, 2026-01-01 This book comprises 12 chapters that aim to provide critical insights into educational policy and practice in various Global South GS countries with a focus on basic education Its main goal is to highlight educational developments in these countries by exploring their historical developments reforms initiatives and strategies Additionally the book examines the practical applications of educational policies the challenges the countries face and potential opportunities Each chapter is organized into different sections presenting various perspectives that influence the academic policies and practices of 12 countries This book serves as a valuable resource for researchers teachers policymakers students and international organizations worldwide **Teacher Education at the Edge** Tonya Huber, James G. O'Meara, 2019-10-24 This book series aims to realize Education 2030's vision of inclusive equitable quality education and lifelong learning It provides a forum for diverse voices covering topics like early childhood development equal access sustainable living skills literacy and safe learning environments Socioculturally Responsive Assessment Randy E. Bennett, Linda Darling-Hammond, Aneesha Badrinarayan, 2025-05-01 Socioculturally Responsive Assessment assembles the best available thinking from within and outside the educational measurement community about the theoretical foundations and systems level policy implications of formal assessment programs designed to be socioculturally responsive Synthesized from culturally responsive assessment design and practices culturally relevant pedagogy and funds of knowledge universal design for learning the learning sciences and other literatures this emerging concept affirms that students learning and performance is inextricably tied to the social cultural and linguistic contexts in which they live and develop knowledge Across four sections this book provides an argument and initial evidence for impact on students users and assessment quality offers guidance for implementation and examines the potential limitations pitfalls barriers and measurement issues that such programs will inevitably raise Scholars teaching faculty test developers and policymakers will come away with integral foundations new assessment approaches and a greater sense of the potential for positive impact that these assessments may afford *The Economy of Ghana Sixty Years after Independence* Ernest Aryeetey, Ravi Kanbur, 2017-02-09 As Ghana approaches its 60th birthday optimism and worries for the future continue to be

present in equal measure Economic growth in the last decade has been high by historical standards Indeed recent rebasing of GDP figures has put Ghana over the per capita income threshold into Middle Income Country status However structural transformation has lagged behind Fiscal discipline has also eroded significantly and there is heavy borrowing especially on the commercial market while elements of the natural resource curse from oil have already occurred The question most observers ask is whether the gains from two decades of reforms are being reversed Given this background this volume brings together leading established and young economists from within and outside Ghana to analyze and assess the challenges facing Ghana s economy as it enters its seventh decade and the nation heads towards three quarters of a century of independence The chapters cover the major macroeconomic and sectoral issues including fiscal and monetary policy trade and industrialization agriculture and infrastructure The volume also covers a full range of social issues including poverty and inequality education health gender and social protection The book also examines the implications of the oil boom for Ghanaian development and the role of institutions

Education Statistics ,2010 Covers annual trends on distribution of schools teachers enrollment textbooks infrastructure and BECE results across the districts in Ghana for all levels of basic education

Daily Graphic Ransford Tetteh,2014-04-15

Gender-Responsive Governance in Sierra Leone John Idriss Lahai,2023-07-28 This book investigates gender equality and women s empowerment in Sierra Leone focusing especially on women s interactions with the state and its development partners In particular it highlights women s increasing agency in acquiring knowledge diffusing power engaging in grassroots politics and compelling the government to adopt more gender responsive policies Exploiting extensive fieldwork and original multidisciplinary research methods including econometric and statistical models the book first sets out the history and impact of inequality in Sierra Leone and then goes on to shed light on the constructive and collaborative engagement of women and the state on a variety of local and external strategies for promoting gender equality Drawing throughout on insights from across gender studies sociology anthropology economics and political science the book highlights how women are succeeding in transforming marginality into agency in order to build a platform for influencing change By qualifying and quantifying the challenges of gender inequality in Sierra Leone and the progress that is being made this book provides important insights that will be relevant to other fragile post conflict states within Africa The book will be of interest to students and researchers studying women and gender studies African studies economics international development sociology and political science and international relations It will also deepen policymakers and practitioners understanding of women s diverse trajectories and experiences and how the typology of government affects the patterns of inequality and equality
