Meta Description (<150 Characters)	Ideally, mention SEO writing , the keyword, once in here and as close to the front of the sentence as possible. This isn't a ranking factor, though. The keyword gets bolded in search results, and therefore will attract the reader. It's more important here to focus on getting people to click than getting a keyword placed. (Use confident language: "This <i>will</i> help you" vs. "This <i>could</i> help you.")
