Exploring Wonderland Wanda Dann, Stephen Charles Cooper, Barbara Ericson, 2009 For introductory computing and programming courses at four-year and community colleges. This new text uses Alice and Media Computation to introduce students to the 1 programming language in use today. Exploring Wonderland: Java Programming Using Alice and Media Computation uses Alice to introduce the fundamental concepts of programming, thereby decreasing early frustration with syntax errors usually encountered in a text editor. The concepts introduced in Alice are then applied in Java using Media Computation examples working with sound samples and pictures. This approach is highly motivating to students, especially for those without prior programming experience. **Dreamboats & Milestones** Chris Halla, 1981 Road & Track, 1984-02 **American**
