The Calvary Road Roy and Revel Hession,2016-02-19 Excerpt from the Preface In April 1947 several missionaries came at my invitation to an Easter Conference which I was organising I invited them to come as speakers because I had heard that they had been experiencing Revival in their field for a number of years and I was interested in

Revival What they had to say was very different from much of what I had associated with Revival It was very simple and very quiet As they unfolded their message and gave their testimonies I discovered that I was the neediest person in the conference and was far more in need of being revived than I had ever realised That discovery however only came slowly to me Being myself one of the speakers I suppose I was more concerned about others needs than my own As my wife and others humbled themselves before God and experienced the cleansing of the precious Blood of Jesus I found myself left somewhat high and dry dry just because I was high I was stumbled by the simplicity of the message or rather the simplicity of what I had to do to be revived and filled with the Spirit When others at the end of the conference testified of how Jesus had broken them at His Cross and filled their hearts to overflowing with His Holy Spirit I had no such testimony [The Calvary Road and Be Filled Now](#) Roy Hession, Revel Hession, 2017-11-24 The Calvary Road is the British evangelist Roy Hession s best known book It is a simple practical exposition of the essential role and the fruit of humility and repentance in the Christian life It has changed lives and ministries The chapters are Brokenness Cups Running Over The Way of Fellowship The Highway of Holiness The Dove and the Lamb Revival in the Home The Mote and the Beam Are You Willing to be a Servant The Power of the Blood of the Lamb and Protesting Our Innocence Christians of all persuasions appreciate the importance of being filled with the Holy Spirit The Hessions write the apostolic injunction Be filled with the Spirit Eph 5 18 still stands binding on every believer and he ignores it at the peril of missing the fruitfulness and joy which such fullness brings This book describes the person of the Holy Spirit and how and why the Christian is to be filled with the Spirit *My Calvary Road* Roy Hession, 2011-07-14 Roy Hession s The Calvary Road has sold millions of copies and has been translated into over forty languages My Calvary Road tells the personal side of the story of one man s spiritual journey on the road to righteousness learning what it means to be open to God s purpose An evangelist who in his lifetime was well known on both sides of the Atlantic Hession recounts how revival came to his personal life and ministry With utter frankness he tells how he was blessed by failure his life a demonstration of the true grace of God **The Calvary Road** Jeremy Markle, 2015-08-28 This outline guide was written to enhance your ability to understand remember and apply the important spiritual truths shared by Roy Hession in his book The Calvary Road After reading each chapter you can review its content by filling in the blanks considering the additional passages provided and answering the reflection and application questions Throughout this outline guide there are a few special features to help you focus on the truths being taught Text Quotations Both long and short quotations that are taken directly from the text are provided to emphasize the spiritual truths being taught Scripture Quotations and References Numerous Scripture quotations and verse references from the text are given in the outline to encourage personal consideration of the authority of God s Word for each subject Additional Scripture Quotations Additional Scripture quotations not mentioned in the text have been quoted in boxes entitled Additional Truth which enhance the subject matter Additional Scripture References Additional Scripture references not mentioned in the text have been printed in italics throughout the

on furlough and finally through the privilege of having two of the native brethren living for six months at our headquarters From them I learned and saw that revival is first personal and immediate It is the constant experience of any simplest Christian who walks in the light but I saw that walking in the light means an altogether new sensitiveness to sin a calling things by their proper name of sin such as pride hardness doubt fear self pity which are often passed over as merely human reaction It means a readiness to break and confess at the feet of Him who was broken for us for the Blood does not cleanse excuses but always cleanses sin confessed as sin then revival is just the daily experience of a soul full of Jesus and running over Further we are beginning to learn as a company of Christ s witnesses that the rivers of life to the world do not flow out in their fulness through one man but through the body the team Our brokenness and openness must be two way horizontal as well as vertical with one another as with God We are just beginning to experience in our own ranks that team work in the Spirit is one of the keys to revival and that we have to learn and practice the laws of a living fellowship I need not say more as Roy Hession and his wife expound the whole matter But we have seen God at work in our midst I could name half a dozen of our workers several of them leaders in whose lives there has been a new spiritual revolution Then rivulets of blessing in some of our individual lives have been merging in a larger stream God has been giving us times as a company when as they prayed the place was shaken where they were assembled together and they were all filled with the Holy Ghost Here and there on our battle fields distant and near the sound of abundance of rain is being heard and we believe among many companies of God s people He is preparing afresh for these last days a sharp threshing instrument having teeth and that what God is saying to us through this Revival and through the interpretation of that message in this pamphlet is a word of the Lord for our day May it be greatly used to produce revived lives revived fellowships and revived churches
