Ministry of Education and Culture, 1994 *A Retrospective on the Classical Gold Standard, 1821-1931* Michael D. Bordo, Anna J. Schwartz, 2009-02-15 This is a timely review of the gold standard covering the 110 years of its operation until 1931 when Britain abandoned it in the midst of the Depression Current dissatisfaction with floating rates of exchange has spurred interest in a return to a commodity standard The studies in this volume were designed to gain a better understanding of the historical gold standard but they also throw light on the question of whether restoring it today could help cure inflation high interest rates and low productivity growth The volume includes a review of the literature on the classical gold standard studies the experience with gold in England Germany Italy Sweden and Canada and perspectives on international linkages and the stability of price level trends under the gold standard The articles and commentaries reflect strong conflicting views among the participants on issues of central bank behavior purchasing power an interest rate parity independent monetary policies economic growth the Atlantic economy and trends in commodity prices and long term interest rates This is a thoughtful and provocative book **The Athenaeum**, 1880 *The Journal of Education*, 1907 Education in Perspective Earle Taylor, 2000 This book focuses on Namibia's education since independence The book is developed around 40 articles reflecting the rich cross section and multi cultural diversity of interests opinions values expectations and perspectives and is held together by a common thread of a shared national vision for Namibia that knits freedom peace unity equity and progress into every economic activity for the sustained well being of all Namibians Annex (ii) Namibia. Presidential Commission on Education, Culture and Training, 2001 **Human Rights and the Judicialisation of African Politics** Peter Brett, 2018-09-18 Human Rights and the Judicialisation of African Politics shows readers how central questions in African politics have entered courtrooms over the last three decades and provides the first transnational explanation for this development The book begins with three conditions that have made judicialisation possible in Africa as a whole new corporate rights norms including the expansion of indigenous rights the proliferation of new avenues for legal proceedings and the development of new support structures enabling litigation It then studies the effects of these changes based on fieldwork in three Southern African countries Zimbabwe Namibia and Botswana Examining three recent court cases

involving international law international courts and transnational NGOs it looks beyond some of international relations established models to explain when and why and legal rights can be clarified This text will be of key interest to scholars and students of African politics and human rights and more broadly to international relations and international law and justice

Antitrust and the Formation of the Postwar World Wyatt C. Wells,2002 In the wake of World War II the United States devoted considerable resources to building a liberal economic order which Washington believed was necessary to preserving not only prosperity but also peace after the war and antitrust was a cornerstone of that policy This fascinating book shows how the United States sought to impose its antitrust policy on other nations especially in Europe and Japan
