Gray,2018-10-19 So many people don't really realize how a blog can become world famous by planning and writing viral posts. They think to blog as a useless and outdated activity to do because they don't comprise that a blog is one of the most available and powerful methods of Mass Communication and it will remain one of the tops for many years. This dumb belief for which blogging is surpassed is made by thinking blogs like only text platforms and it is really stupid. In a blog is possible to integrate all the other performing platforms and group them in a unique and high impact space. Of course this is possible only with the right information and techniques. This updated manual is the result of more than 10 years of experience. Before to be a SEO expert and a writer Mark Gray is a successful online marketer and one of the top bloggers in United States. So his main focus is obviously about making money exploiting organic and paid traffic. The goal of this practical manual is to help the students who have a blog to finally understand HOW TO GROW 10X EVERYDAY. What this manual DOESN'T include: The evolution of Blogging Because no one cares and it is easily findable online. How to make a sloppy blog Because this is not an average book. Not applicable techniques Because my students want to explosive growth their notoriety and dumb theories do not help. Slowest methods Because my students do not want to lose their time. Pointless information. Outdated strategies. Stupid and useless tips. Everything else does not really work. The really worth approaches are not so much. And study a giant incomprehensible and full of useless advice volume is not what you need. This smart manual will provide you with all the really practicable steps to get your blog world famous. Before to fight versus your competitors you are fighting versus readers and it is the critical point of all the discussion. If you do what readers want to see you will be rewarded. Obviously. If not you do not and indeed you could be penalized. What this manual includes: How to determine the Blog Purposes To get more awareness and to understand the various differences and your specific needs. How to choose the Right Niche Get guaranteed true fans. How to write a lot of Viral Posts With the step by step method. How to really Generate Traffic Which path you want to take. How to build a Brand Built on your person and your ideas. How to understand your Fans Solve your readers problems. Extra Understand how to schedule and write posts without any effort. What you have to do and how. In addition to this first section of the manual the students will be allowed to access the most advanced and applicable blogging techniques to exploit Google and Facebook. Advanced section Learn the advanced Space Formula Maximize the possibilities of being viral.
