

A detailed 3D architectural rendering of an industrial facility, likely a refinery or chemical plant. The scene is filled with a complex network of pipes, walkways, and storage tanks. In the foreground, several large, white, cylindrical storage tanks are visible, some with ladders and platforms. A dense bundle of pipes runs diagonally across the frame from the bottom right towards the center. In the background, more industrial structures, including distillation columns and processing units, are visible against a clear blue sky. The overall aesthetic is clean and technical, typical of a CAD software output.
