Short Ribs David J. Hardwicke, 2020-01-07 This volume is the first of an intended series of comedic fiction based on observations and reflections on the world as we create and perceive it in an everyday sense These reflections are contained within the various puns riddles micro stories and cartoons herein flavoured by the liberal dusting of a dry sense of humour Elements of life common to all of us are found here expressed in a minimalist manner so that you the reader form the true image in your head as pertinent to your life The words simply plant the seed Just be warned that the seed may provide unexpected fruit but this is fully intended If life were to be fully predictable it would have no life in it To laugh at our own foibles is to be content with ourselves even if only for a moment or two We trust you will embark with us on a voyage of introspection celebration and pure imagination as we set out to explore the frontiers of the human experience and the nether reaches of pure silliness This combination sets us free of the weight of world for a time opens our hearts and minds to recall the many roads and milestones of our lives while wrapped in the warm hug of humour Come with us We have cookies
