Where Do We Go From Here? Bible Study Guide Dr. David Jeremiah, 2021-11-16 Jesus Will Show You the Way Forward Today's headlines shout of modern plagues, social tensions, economic crises, and rampant depression. Many are asking, "What day is it on God's prophetic calendar?" Trusted Bible teacher and pastor Dr. David Jeremiah answers this question by opening up the Word of God to reveal what it has to say about the days in which we are living and offer hope to believers. In this ten-lesson accompanying study guide, Dr. Jeremiah deals with ten prophetic issues as current as the morning news. You will thread your way through problems that Jesus predicted, precursors of the Tribulation, and learn what steps you should take to navigate them. Even as the world collapses, you can be sure that the Lord is building His Church. You can say something, do something, pray something, preach something, and live by the convictions of Christ. Each lesson includes an outline of the main subjects and Scriptures covered during the lesson, an overview of Dr. Jeremiah's teaching on the topic being studied, application questions to help both individuals and small groups delve into the content, and the Bible A Did You Know Section that adds a point of interest to the lesson. This is no time to be discouraged. Your risen and exalted Lord, Jesus Christ, your enthroned Savior, knows the way forward. He will show you where to go from here.

The Great Coronavirus Pandemic and Messages from the Prophets Doman Lum, 2021-02-12 As we witness the mounting illness and death toll of the coronavirus, the messages of the Old Testament prophets offer comfort and truth. They call us to repentance and affirm God's faithfulness. Doman Lum crafts twenty-one sermons which preach the good news of God's love. The story of the great pandemic involves the impact of COVID-19, President Donald Trump, the murder and killings of African Americans, and the 2020 presidential election. The Old Testament prophets and contemporary biblical theologians share spiritual insights, faith, and trust. Lum encourages the reader to become involved in the public response, the public health programs, and government responsibility to cope with this health crisis as citizens of the United States. This book features the reading of Scriptures, profound and thoughtful sermons, and pastoral prayers. It is for the individual, family, community, and nation who seek spiritual counsel in the midst of the pandemic.

Conquering Coronavirus Teresa Tomeo, 2020-04-29 Teresa Tomeo has drawn forth from Scripture the lives of the saints and contemporary sources, a healing balm for souls, believers and unbelievers alike who have been shaken by the frightening evils thrust upon us by this coronavirus.

A Decade In A Year Nek Lason, 2023-02-23 This concludes part 1 of *A Decade in a Year*. It chronicles the first nine weeks of the pandemic from March 23, 2020, to May 23, 2020. This event will be looked back upon for the rest of history. It is from a unique perspective, mine, a resident of a Victory Homes International Christian addiction recovery Men's Home. For me, life is like a long car ride. Along the way, while at the Home, many people have got in and got out of my car. A few stayed in, a very few. This ride could be a psychologist's dream come true. Personally, as a man, right now, on this drive, the temperature outside is cooling, and it's nearing mid-fall. The days have gotten shorter, and the leaves on the trees have changed their color. My winter isn't here, but I can feel

it now More and more I can feel it In other words and from a young man s perspective I am close to being old Lord How funny and tragic it is that I romanticize my past forgetting all the negative and ugly things I have done Am I the only one that does that How I look back on my spring and summer with such fondness How fast those seasons came and went This car I m in has taken a beating but the motor runs smooth Plenty of miles left in it It s not a used car it s a car with experience But something happened a little while ago on this ride I found a map It gave me a direction It showed me the way I smile now at my previous ignorance as I realize that I had always been driving nowhere It s both funny and sad It s been said that if you re going nowhere any road will get you there Now to have a map Well now that changes everything regardless of the season Which leads me to a question Where is the road you re on taking you Come Let me tell you about a part of my recent drive This event in world history called the pandemic This decade in a year we all lived through it apart and yet together Come Remember our common yesterday with me The God Virus Darrel W.
