## **A Guide To The Huna Way:**

Mastering Your Hidden Self Serge King,1985      **Mastering Your Hidden Self** Serge Kahili King,2012-12-16 Huna philosophy is about learning to become a conscious cocreator with the Universe Hawaiian shaman King uses Kahuna healing methods to help us access the hidden energy of life develop powers of concentration and make friends with the deepest aspect of our being Learn how your Higher Self or aumakua is contacted in the dream dimension Get in touch with the Mana the hidden energy of life Develop higher powers of concentration by utilizing the tikis created images of sight sound and feeling in meditation Become aware of your subconscious an integral part of your being which impatiently awaits communion with the ego      Fundamentals of Hawaiian Mysticism Charlotte Berney,2012-09-05 Huna is ancient and at the same time magnificently modern The mystical practice of Kahuna evolved in isolation on the island paradise of Hawaii The ancient Hawaiians valued words prayer their gods the sacred the breath a loving spirit family ties the elements of nature and mana the vital life force ideas profound yet elegantly simple Discovering the concepts of Huna is like finding gemstones in a mountain a joyous journey      **The Other Secret** Jennifer Quaggin,2013-06 The world is full of emotional vampires terrifying destructive individuals who prey upon and feed off the life force of others draining them of their energy by keeping them in a constant state of fear leaving them feeling empty lost powerless and paralyzed It s no wonder that many of us believe we will never be good enough or that we are failures unworthy of happiness No wonder we don t realize how simple it is to benefit from the secret the belief that happiness is ours by using the power of the Law of Attraction The Other Secret can help you change that for yourself It can not only show you how to heal from an emotional vampire attack but also provide you with all you need to know to achieve the joy love and success you deserve When you have been victimized by an emotional vampire it often seems impossible to imagine that you could ever feel self confident and happy again But if you work on healing yourself the pain can subside and you may find that you are stronger than before Find new depths of emotion understanding and wisdom Discover that you have more to contribute to the world and other people Achieve far more than you ever would have if you hadn t been hurt The Other Secret can start you on your path to recovery through the proven power of the Law of Attraction      Spiritwalker Hank Wesselman,2010-01-13 I am about to tell you a most unusual story a chronicle of something that happened to me while I was living on the flank of an active volcano on the island of Hawai i I m a scientist I mention this because I do not feel that I was in any way predisposed for what was about to occur In fact my scientific training would seem to have preprogrammed me against such an experience From Spiritwalker The astonishing true story of an anthropologist s quest into a spiritual world of magic mysticism and meaning Not since Castaneda s tutelage under the Yacqui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker Hank Wesselman s incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams but which grew increasingly intense and insistent ultimately propelling him on twelve fantastic journeys across time and

space Over the next three years his journeys proved to be far more important than mere reason could explain Eventually Dr Wesselman became convinced that he d been granted a visionary encounter with what tribal people from millennia past have called the spirit world During his epic travels Dr Wesselman met shape shifting entities spirit helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a fellow traveler a Hawai ian kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future
