

Associated Press: Style Guide

Note: These reference guides do not take the place of assignment guidelines.

Associated Press style, or AP style, is a grammar usage and style guide developed specifically for journalists and journalistic writing. Its focus is on neat, concise writing that takes advantage of the smaller spaces journalists are typically writing for, and offers consistency across publications.

This handout contains an overview of some of the most common AP rules. The complete AP style guide can be accessed online by students for free at: http://www.apstylebook.com/fgcu_edu/
