

## How to Make String Art Embellishments by Julie McGuffee

©2004 - Julie McGuffee

**Step 1:** Punch or cut a shape from cardstock.

**Step 2:** Tape the end of the thread to one side of the shape. This will be the back.

**Step 3:** Bring the thread to the front between two points A. (Fig. 1) Pull across the front then to the back again passing between two points B. Note. The number of points you leave between where the thread comes up from the back and the point where it goes down, determines whether you will have a small or a large opening at the center when finished. (The fewer the number of points between the thread, the larger the center will be.)

**Step 4:** Bring the thread to the front between the next points C on the circle, pull across the front then to the back passing between the points D. (Fig. 2)

**Step 5:** Continue wrapping the thread around the shape until you end at the place where you started. Tape the end to the back.

Bring thread up thru A, down thru B, up thru C, down thru D. Repeat around the circle until you reach point A. As you reach the point where the thread comes up at "B" you will see the pattern begin to emerge.
