

After Sales Service Strategy

Adaobi Oti

After Sales Service Strategy:

Service Business Development Thomas Fischer, Heiko Gebauer, Elgar Fleisch, 2012-05-24 How can manufacturers of capital goods succeed in service business development What are the potential network approaches for manufacturing companies planning on extending their service business Over the last decade the business environment of capital goods manufacturers has changed dramatically Few capital goods manufacturers are able to outrun the competition with pure product related technologies and innovation alone For this reason they have added services to products as a way of responding to eroding margins and the loss of strategic differentiation through product innovation and technological superiority Based on over twelve years of research this book provides academics and business professionals with a thorough overview of the strategies available for value creation through service business development It features case studies and covers a wide range of topics including emerging issues such as service business in small and medium sized companies business innovation through services and the impact of rapidly growing Asian markets *Re-engineering Manufacturing for Sustainability* Andrew Y. C. Nee, Bin Song, Soh-Khim Ong, 2013-04-08 This edited volume presents the proceedings of the 20th CIRP LCE Conference which cover various areas in life cycle engineering such as life cycle design end of life management manufacturing processes manufacturing systems methods and tools for sustainability social sustainability supply chain management remanufacturing etc **Interavia**, 1997 Management Information Systems R. Kelly Rainer, Brad Prince, Hugh J. Watson, 2016-11-16 The 4th Edition of Management Information Systems promotes active learning like no other text in the market Each chapter is comprised of tightly coupled concepts and section level student activities that transport your students from passively learning about IS to doing IS in a realistic context **Official Export Guide** North American Publishing Company, 1993 The Impact of Artificial Intelligence on Digital Marketing. A Case of Nigerian SMEs Adaobi Oti, 2025-01-08 Master s Thesis from the year 2024 in the subject Business economics Offline Marketing and Online Marketing grade 66 University of Plymouth Plymouth Business School course Business managemnet language English abstract This study was aimed at examining the impact of artificial intelligence AI on digital marketing of SMEs in Nigeria The respondents of this study were SMEs owners in Lagos State Nigeria Quantitative and qualitative data was collected with the aid of questionnaire and interview section respectively Qualitative data was analyzed with thematic analysis while the quantitative data was analyzed with correlation and regression to test the hypothesis generated This study revealed that the use of AI by SMEs in Nigeria had a positive impact on digital marketing and sales performance It also identified the major challenge associated with the application of AI in the digital marketing initiatives of Nigerian SMEs to be the lack of AI professionals to facilitate the integration of AI into their digital marketing initiatives **Strategy, Structure, and Performance of MNCs in China** Yadong Luo, 2001 The result is an expert and lucid analysis of international investment and the China market particularly for upper level executives analysts studying emerging markets and scholars specializing in

international politics and business expansion BOOK JACKET the journal of product innovation management ,2002
Trade Services Directory & Guide ,2003 **Strategies and Policies for the Development of the Capital Goods Sector in the Arab World** ,1987 Summary in French and Spanish **Export Strategy** Subhash C. Jain,1989-04-24 This new book fills a gap in the collection of published materials in export marketing Throughout the book the author raises important questions that exporters need to answer in formulating strategies The chapters on identifying export markets provide practical approaches on the formulation of such strategies starting with an analysis of trade data On the basis of the data exporters can build a market and product profile set up a market selection matrix assess their export strengths and weaknesses and design a market position map thereby enabling them to develop export strategies a valuable source for developing export strategies International Trade Forum As the U S trade balance continues to run large record setting deficits the pressure on businesses to export will continue to mount This book written for marketing and strategic planning executives outlines a step by step procedure for formulating a successful export strategy Jain demonstrates how to analyze relevant information about the prospective customer the competition and one s own company how to apply basic marketing decisions to the export environment and how to implement key aspects of export strategy Throughout he identifies the government and nongovernment sources for information a company needs to formulate an effective export strategy Jain begins with a historical overview of U S trade that sets the context for the discussion that follows He examines America s traditionally low interest in exporting trade barriers emerging trade issues for the 1990s and influential developments in the liberalization of worldwide trade He then develops his export strategy framework addressing such critical issues as locating viable foreign markets segmentation and positioning timing and how to compete The four basic aspects of an export strategy product price distribution and promotion are discussed in depth For each Jain offers workable practical advice for the firm new to exporting when and how to customize products methods of pricing price quotations pro forma invoicing sources of distribution channels managing export channels alternative promotion media and more Finally drawing upon the experiences of successful exporters Jain presents guidelines for effective exporting **A Basic Guide to Exporting** Alexandra Woznick,United States. Department of Commerce,1996 This book is designed to help firms learn the costs and risks associated with exporting and develop a strategy for success **Formulation, Implementation, and Control of Competitive Strategy** John A. Pearce,Richard B. Robinson,1994 Operations Strategies for Competitive Advantage Eisenhower C. Etienne-Hamilton,1994 **The Irish Employee Recruitment and Management Handbook** Patrick Gunnigle,1999 This handbook covers the issues that face human resource HR practitioners in the Irish labour market It looks at the developments and key techniques that HR managers must have if they are to recruit and retain a high quality workforce Nigerian Corporate Policy & Strategic Management Bob. Es Osaze,1987 A Practical Guide to Cross-border Cooperation ,1992 **Business World** ,2001-09 Global Marketing Warren J. Keegan,Mark C. Green,2005 WHAT

MAKES THIS BOOK UNIQUE Warren Keegan and Mark Green approached the fourth edition of Global Marketing with this goal To write a book that reflects current issues and events features conceptual and analytical tools that will help the reader apply the 4Ps to global marketing and is authoritative in content yet relaxed and assured in style and tone *JPRS Report*,1993
