Tools	Suggested Action/Strategy	Timing	Lead Organization
COMPREHENSIVE PLANNING	Adopted the R-B Corridor Retail Action Plan to serve as the policy guide for future County Board decisions in terms of where retail should be located and what type of retail should be established (Corridor-wide) .	Adopted by Board Action on May 19, 2001	DED
	Reevaluate Sector Plans to address land use issues that have recently been identified by the Virginia Square, Rosslyn, and Clarendon communities and to identify issues that may prevent implementation of the R-B Corridor Retail Action Plan. These Sector Plan revisions will take precedence to this Retail Action Plan in the case of conflicts of interpretation. (Virginia Square, Clarendon & Rosslyn) .	MT	DCPHD
	Study the area along Glebe Road in Ballston to identify opportunities and strategies for converting some of the large land holdings from auto related uses to community oriented retail (such as drugstores, hardware, etc.) to serve the adjacent residential areas (Ballston) .	MT	DED/DCPHD
	Undertake a land use and urban design study for the in-between areas: the Rosslyn – Courthouse area and the Courthouse – Clarendon area (In-between areas) .	LT	DCPHD
ZONING ORDINANCE AMENDMENTS	Reduce the number of used car lots in favor of interim uses that support retail by implementing newly adopted regulations on motor vehicle sales and rental lots (Corridor-wide) .	O	DCPHD
	Amend the Zoning Ordinance to change the "C-2," "C-3," "C-TH" and "C-R" districts to require street-level retail for by-right development in areas designated for such use in the R-B Corridor Retail Action Plan (Corridor-wide) .	ST	DCPHD
	Changes to parking requirements in the context of the Parking Task Force recommendations including: <ul style="list-style-type: none"> • Extending distance for the no parking option for restaurants within 1,000 ft from a metro station • Shared or off-site parking to ensure availability of convenient parking by restaurants and retail patrons during non-office hours (Corridor-wide). How to Write a Retail Store Business Plan in Ten Steps Paul Borosky MBA, 2019-12-12 As a professional business consultant and business plan writer I am often asked by entrepreneurs What is the first step to starting a retail store business When I first started out as a business consultant I would explain to my client their place in the entrepreneurial process I then support this analysis with proven academic and practicing business theory along with recommending specific steps to start or expand their retail store operations After going through this process time and time again with retail store entrepreneurs it dawned on me that the first step I ALWAYS recommend is writing a business plan Unfortunately most retail store entrepreneurs do not know how to write a professionally polished and structured business plan Hell most owners don't know how to write any type of business plan at all Because of this systemic issue I decided to write this book focused on a ten step process for writing a well structured business plan The retail store business plan writing steps include all aspects of the business plan writing process beginning with developing an executive summary to constructing a polished funding request In each step I introduce you to a different business plan section Next I explain in layman's terms what the section means offer a retail store specific business plan sample and analyze the example to help you understand it The objective of this detailed process is to ensure a full understanding of each segment with the goal of you

being able to write a professional retail store business plan for yourself by yourself IF you still need help writing your business plan at the end of the book I ALSO supply you with a professionally written sample retail store business plan AND a retail store business plan template for you to use To put a proverbial cherry on top I have conducted and included preliminary retail store market research for you to use in your personalized plans In the end I am supremely confident that this book with its numerous tools and tips will help you develop a retail store business plan to fit your individual needs
