Essentials of Human Communication + Mycommunicationlab + E-book Student Access Joseph A. Devito, 2007-02-02

Human Communication Judy C. Pearson, Paul E. Nelson, Scott Titsworth, Lynn Harter, 2006-02-28 Understanding Human Communication Ronald Brian Adler, George R. Rodman, 1994-01 Along with expanding student knowledge the book aims to help readers improve their communication behavior The book is aimed at two audiences nonmajor for whom this book may be the only systematic look they take at the subject and students who are using the course as an overview for more detailed study in future courses this edition refuses to take sides in the theory vs skills debate Instead it shows how theory and research help students operate more effectively in everyday life and how everyday behavior illustrates the value of scholarship This balanced approach means that students can expect to finish the basic course well equipped both to talk in an informed manner about communication and to talk more effectively with the people who are important to them Pref
