South-South Co-Operation: A Case of Indo-Nigerian Economic Relations J. E. Eton,2006-06-06 South South Co operation A Case Study of Indo Nigerian Economic Relations work presents the trends and pattern of Indo Nigerian economic relations during the period 1960 to 1995 in the context of South South Co operation While examining the gamut of the economic relationship between the two countries during the aforementioned period theoretical analyses as well as quantitative aspects of the subject were attempted The exercise revealed the changing pattern and composition of Indo Nigerian trade and the growth trends in South South economic and trade relations Given the dearth of well researched information on the nature and trends of Inso Nigerian economic relations this contribution will be a valuable addition to the arsenal of those interested in Indo Nigerian economic diplomacy scholars as well as those who are interested in Indo Nigerian economic diplomacy scholars as well as those who are interested in economic co operation among developing countries The value of the suggestions made in this book is not limited to Nigeria bit extends to all the developing countries whose economies are similarly skewed

Delving deeper into the agricultural transformation and youth employment nexus Adesugba, Margaret Abiodun,Mavrotas, George,2016-04-19 Youth employment is not an entirely new topic for research and policy Recent estimates from the International Labour Organisation ILO 2013a suggest that high and rising unemployment rates among youth remain a key challenge to global development especially in the developing world This is particularly important in sub Saharan Africa where about 85 percent of youth defined by the ILO as all those between the ages of 15 and 24 years are poor 70 percent live in rural areas where agriculture is the main source for their income and subsistence and 11 million youth are expected to enter the labor market every year for the next decade World Bank 2014 These characteristics of youth in sub Saharan Africa justify the centrality of the nexus between youth employment and agriculture in formulating development policy on the continent At the same time youth unemployment is currently one of the issues receiving attention at the top of the global development agenda

Contending Issues in African Development Obioma M. Iheduru,2001-02-28 Taking a forward looking approach this book critically examines the issues and dynamics central to Africa s problematic development and situates these issues within the contents unique cultural political economic and social milieu Moving away from a simple litany of problems bedeviling Africa s economy the book is the culmination of several scholars efforts to identify specific causative factors Each chapter delineates a specific issue demonstrates the role it plays in overall development and speculates on probable ways to meet the challenges it poses The major conceptual and epistemological constructs considered include the

tamed African State social capacity management of change reconceptualized gender roles and economic integration Although the contributors various approaches diverge and disagree the epistemological variations contribute cumulatively to an understanding of the issues at the root of Africa s slow pace of development While traversing the spectrum of issues that affect development the book uniquely points out that the management of change is pivotal to fostering development The authors efforts provide a useful base for future research and help to chart a course of action leading to success in the 21st century
