Unrecorded History Wendy Moffat, 2010-05-06 A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long suppressed novel Maurice in 1970 E M Forster came out as a homosexual though that revelation made barely a ripple in his literary reputation As Wendy Moffat persuasively argues in A Great Unrecorded History Forster s homosexuality was the central fact of his life Between Wilde s imprisonment and the Stonewall riots Forster led a long strange and imaginative life as a gay man He preserved a vast archive of his private life a history of gay experience he believed would find its audience in a happier time A Great Unrecorded History is a biography of the heart Moffat s decade of detective work including first time interviews with Forster s friends has resulted in the first book to integrate Forster s public and private lives Seeing his life through the lens of his sexuality offers us a radically new view revealing his astuteness as a social critic his political bravery and his prophetic vision of gay intimacy A Great Unrecorded History invites us to see Forster and modern gay history from a completely new angle

4 Books by E. M. Forster E. M. Forster, 2013-03-27 Compiled in one book the essential collection of books by E M Forster *Howards End* *The Longest Journey* *A Room With A View* *Where Angels Fear to Tread* **The World of E. M. Forster - E. M. Forster and the World** Krzysztof Fordoński, Anna Kwiatkowska, 2021-06-11 Half a century after his demise and over a century after the publication of his first novel *Where Angels Fear to Tread* in 1905 E M Forster still remains within the scope of interest of readers and critics His life and his works continue to stir emotions and raise questions concerning humanity nationality and world culture s However the opinions vary as to the continuation of the interest in the writer and his works Some see him and his novels as old fashioned while others like Zadie Smith find Forster inspiring and the muddled protagonists of his books fascinating Is the interest in this writer to continue or is it doomed to gradual oblivion What is there in his life and his stories that can make new generations want to reach out for his works and writings To understand the place of the writer in the present world one must look back to the beginnings of Forster s career as well as to the times in which he lived commented on and created in This book discusses the presence and legacy of Forster in English literature and social history Its double title reflects the duality of its content with the book exploring Forster s own works as well as the position of Forster and his oeuvre and the values he stood for within British and world culture s The book offers therefore a variety of new interpretations of a selection of well known and culturally established works of the writer viewed against the findings of contemporary perspectives It demonstrates how Forster s novel short stories and non fictional writings interfuse affect and re shape the literary pieces of other writers
