Dennis Martin,2020-09-24 Colton s Adventures Back in Time is a collection of memories and Tall Tales from his Grandpa s youth These memories are triggered by sight or sound as they travel along mountain roads and through the ridges of an old man s memories Colton and his Pop use an old navy blue Jeep as their time machine to travel eight decades back in time where a sight or sound triggers a memory from an ole man s past Step back in time as Pop The Story Man shares the history of a time long gone Listen to stories of adventures experiences and events from decades long ago as a grandpa shares them with his grandson These stories are of a way of life that no longer exist stories about home and family stories that teach life lessons stories that reveal the values and principles that are so desperately needed in the world today These memories are of a time when life was simple less hectic and more enjoyable Travel back in time with Colton and Pop back to a time where friends and family looked after one another back to a time full of hope and wonder *Stupid Love* S.J. Carter,2021-08-24 Face to face with an old grudge Riley Chase escaped the drama of Five Foxes High School when he went away to pursue his dreams of Broadway After returning home to help a friend in need now the only drama Riley can handle comes from his students on stage But to keep drama club funds Riley is forced to work with his old nemesis the guy he s hated since senior year Colton Effing Landry That old grudge is also smoking hot Since his senior year a decade ago Colton has tried to make amends for his past mistakes lying for a homophobic bully first and foremost He never thought he d be back at the school with so many bad memories Still he needs the job But Colton s first day as Five Foxes High s new girls JV

coach hits him with bad news Two of his athletic teams are on the chopping block due to budget cuts And that s where he finds Riley Chase Riley Chase the guy he had a crush on back during high school The same Riley Chase whose last words to him during their senior year were I hate you Not the way to kick off a new job A stormy past could lead to a nightmare of a fall semester Now they have to work together to raise the money to save their programs It s either that or let their kids down Can Riley really trust the guy who betrayed him all those years ago And can Colton prove to Riley he s not the same dumb kid he was back in high school Can hate really turn to love Stupid Love is an enemies to lovers contemporary gay romance novel featuring a nerdy English teacher and a hot jock coach with a little angst some sensual heat an HEA and no cliff hangers It can be read as a stand alone novel CW While this book is very much centered on the romantic developments between two characters the book also deals with one character s internalized homophobia The story also makes mention of sexual assault in the backstory of this novel and one subplot character s struggle in the aftermath including substance abuse It represents the author s own struggle as a survivor of sexual assault and became a cathartic venture but in the hopes that it doesn t overwhelm the story
