Schilling, Daniel R. Tomal, 2019-06-12 This nationally recognized school finance expert has teamed up with a CHOICE award winning author to write a comprehensive book on managing school financial resources to increase student performance Everything you need to know on school finance are covered budgeting planning school based budgeting school business management sources of revenue facilities human resources auxiliary services *Understanding Government Budgets* R. Mark Musell, Ryan Yeung, 2019-08-13

Public budgets follow rules of presentation and use terms that make sense to few outside the world of public finance. Moreover, practices vary widely among the thousands of governments across the globe between federal, state, and local levels of government in the United States and among nonprofit organizations, many of which provide services similar to governments. *Understanding Government Budgets, Second Edition* offers a detailed examination of each of the different types of information found in budgets, featuring annotated examples from a variety of organizations. It expands on explanations in the previous edition by including a wealth of examples from governments abroad and from the nonprofit sector. The book stresses that the choices made about content, format, and organization influence the story a budget tells. Designed to help citizens, students, and policy makers become more informed users of public budgets, this book makes the format of budgets and the information they contain accessible and understandable, providing users with the tools they need to make better sense of public organizations and their performance. Complete with online instructor support material, including sample problems in class exercises and discussion questions for each chapter, *Understanding Government Budgets, Second Edition* is perfect for undergraduate or graduate level courses in budgeting and public administration and offers a useful guide to budgets for citizens with an interest in how government operates. **U.S. Master GAAP Guide** Bill D.
