The Sucker T Reddy,2016-09-08 The story is about Lynx Ferry a young boy who at a very early age is bound by a pledge he makes to his father He will help the deprived at all times and feed everyone who comes knocking at his door He keeps the promise much against his mothers wishes and nearly loses his life for helping his neighbours He knew then that if he stays a minute longer in the kitchen he will lose his life He walks out of his mothers kitchen with blood running down his throat and thats when his adventures begin He attracts all kinds of people on his journey but mostly con artists thieves and drug addicts They call him the sucker because of his desire to feed people and give his belongings to people who ask him for them Then there is one drug addict who is out of the same neighbourhood as the boy and who knows of the boys weaknesses He knows how to exploit it and figures that if the boy is free with his money by giving it away then he could claim 10 per cent from the boys earnings and feed his habits But the boy who doesnt hold with drugs and liquor refuses He has better uses for his money The boy is now streetwise and has been living outdoors for some time He takes evasive measures and disappears from the drug addict He travels abroad and years later he marries and settles down in London By some extraordinary bad luck the drug addict tracks him down and makes his demand but Lynx Ferry wont budge The addict then teams up with a couple of local toughs kidnaps Ferrys children murders them and disappears After many years of searching to bring the murderers to justice which proves futile Lynx uses the power of the mind to draw them to him Then in the frozen wasteland of the snowcapped Arctic the subliminal message draws them out and Lynx Ferry has his say

Koasati Dictionary Geoffrey D. Kimball,1994-01-01 Koasati Dictionary is one of the first modern dictionaries ever published of a language of the Muskogean language family whose speakers formerly occupied most of the southeastern United States When first met by Europeans in the sixteenth century the Koasati people were living in Eastern Tennessee In the early eighteenth century they moved to south central Alabama and eventually migrated to present day Louisiana Texas or Oklahoma Today their language survives in southwestern Louisiana where it is still spoken by the majority of tribal members living there Published three years after Kimball s richly detailed Koasati Grammar this dictionary

is the second of three monographs to result from his fifteen year study of the language In this work Kimball provides the user with a substantial introduction outlining Koasati grammar and then organizes dictionary entries into two parts the first arranged from Koasati to English and the second from English to Koasati In addition to the English translations entries in the Koasati English section include sample sentences that illustrated word usage as well as illuminate traditional Koasati culture Most of these sentences are taken from narrative texts The dictionary like Kimball s grammar of Koasati is an indispensable reference work for linguists anthropologists and historians indeed for anyone interested in the native culture history of the southeastern United States
