Terra Incognita Anne Bridges,Russell Clement,2014 Terra Incognita is the most comprehensive bibliography of sources related to the Great Smoky Mountains ever created Compiled and edited by three librarians this authoritative and meticulously researched work is an indispensable reference for scholars and students studying any aspect of the region s past Starting with the de Soto map of 1544 the earliest document that purports to describe anything about the Great Smoky Mountains and continuing through 1934 with the establishment of the Great Smoky Mountains National Park today the most visited national park in the United States this volume catalogs books periodical and journal articles selected newspaper reports government publications dissertations and theses published during that period This bibliography treats the Great Smoky Mountain Region in western North Carolina and east Tennessee systematically and extensively in its full historic and social context Prefatory material includes a timeline of the Great Smoky Mountains and a list of suggested readings on the era covered The book is divided into thirteen thematic chapters each featuring an introductory essay that discusses the nature and value of the materials in that section Following each overview is an annotated bibliography that includes full citation information and a bibliographic description of each entry Chapters cover the history of the area the Cherokee in the Great Smoky Mountains the national forest movement and the formation of the national park life in the locality Horace Kephart perhaps the most important chronicler to document the mountains and their inhabitants natural resources early travel music literature early exploration and science maps and recreation and tourism Sure to become a standard resource on this rich and vital region Terra Incognita is an essential acquisition for all academic and public libraries and a boundless resource for researchers and students of the region *Pioneers of American Landscape Design II* Charles A. Birnbaum,Julie K. Fix,1995 *Report* United States. National Park Service,1922 *Musical Advance* ,1928 **Eating in US National Parks** Kathleen LeBesco,2024-02-26 This book presents a fascinating exploration of eating experiences within US national parks explaining how on what and why people eat in national parks and how this has changed over the last century National parks are enjoying unprecedented popularity and they are especially popular sites for the expression of cosmopolitanism an ideological outlook descended from the Romantics on whose vision the parks were originally founded The book explores the constructed foodscape within US national parks situating the romantic consumption ethos within the context of sociological work on distinction culinary tourism and culinary capital It analyzes and problematizes elements of cosmopolitan taste and desire examining food tourism in wilderness spaces that satisfies cosmopolitan hunger for authenticity and a certain type of self making Weaving together strands of research that have not been previously integrated the book gleans meaning from concessions menus and park restaurant web pages and employs audience analysis to take stock of park restaurant visitors

contributions to restaurant review websites as well as to understand how they represent their park eating experiences on social media The book examines how satisfying cosmopolitan tastes in the parks creates profit for corporate concessioners but also may produce bioregionalist successes and a recentering of Indigenous foodways It concludes by exploring inroads to a better food experience in the parks involving food products and processes that are regionally locally specific where tourists witness and participate in food production and enjoy commensality but that are also non extractive and show care for the environment and the people who inhabit it This book will be of great interest to students and scholars of food studies tourism and hospitality sociology of culture parks and recreation American studies and environmental studies The book will also be of interest to parks and recreation decision makers sustainable tourism leaders and hospitality managers
