Sparkle Abbey

Downton Tabby English Edition:

Downton Tabby Chris Kelly,2013-12-05 Downton Tabby is about England's oldest and finest family of cats. With beautiful and scandalous photographs and art, it tells the story of their lives and loves and their maids and butlers and cooks' lives and loves from the sinking of the Titanic to the Jazz Age. Tolstoy's adage about each family being unhappy in their own way. What makes the Grimalkins different is they're cats. Posh, spoiled, stuck up, but charming English cats. Whilst affectionately making fun of Downton Abbey, a broader, more humorous point is made: We treat our cats like high society. Their servants are us. If you live with a cat, the butler, maid, and cook is you. This is a book for fans of the show and people who put up with fans of the show, and also for people who've ever caught themselves getting emotionally involved in their cat's social life and whether or not some cold cuts would cheer her up. Why is this a book about Edwardian manor life acted out by cats? The real question is why aren't there more.

Television Dramas and the Global Village Carolyn A. Lin, Diana I. Ríos,2021-10-18 This book discusses the role of television drama series on a global scale, analyzing these dramas across the Americas, Europe, Asia, Australia, and Africa. Contributors consider the role of television dramas as economically valuable cultural products and, with their depictions of gender roles, sexualities, race, cultural values, political systems, and religious beliefs, as they analyze how these programs allow us to indulge our innate desire to share human narratives in a way that binds us together and encourages audiences to persevere as a community on a global scale. Contributors also go on to explore the role of television dramas as a medium that indulges fantasies and escapism and reckons with reality as it allows audiences to experience emotions of happiness, sorrow, fear, and outrage in both realistic and fantastical scenarios.

The Death of Downton Tabby Mandy Morton,2016-06-23 The Town is celebrating its first literary festival and The No. 2 Feline Detective Agency has been hired to oversee security. On the arrival of the three Brontë sisters and the famous aristocat Sir Downton Tabby Hettie Bagshot and her sidekick Tilly are plunged into crisis as a serial killer stalks the festival grounds. Will there be an author left standing? Will Meridian Hambone sell out of her Littertray t-shirts? And will there be enough crime teas to go round.

Downton Tabby Sparkle Abbey,2015-06-06 Anyone for tea and crumpets and murder? Caro Lamont, amateur sleuth and well-respected animal therapist to Laguna Beach's pampered pets, works with office mate and tech wizard Graham Cash, whose beloved Scottish Fold tabby cat Toria is purported to have anger management issues. But when Caro drops by the charming Brit's Tudor-inspired mansion to return Toria, she finds his business partner dead and Cash missing. Caro is left with the cuddly cat and a lot of unanswered questions: Is Cash the killer, or has he been kidnapped? What's up with the angry next-door neighbor? And what about Cash's girlfriend Heidi, who isn't sharing everything she knows with homicide detective Judd Malone? Suddenly, there are more secrets and intrigues than there are titles in England. Add in a stranger in a dark SUV stalking Caro, feisty senior sidekick Betty hiding in restaurant shrubbery, and wannabe investigative reporter Callum MacAvoy who seems to be constantly underfoot, and you've got a cat and mouse mystery of the first order. Caro's got to solve this murder before
