

Observational drawing hints and techniques

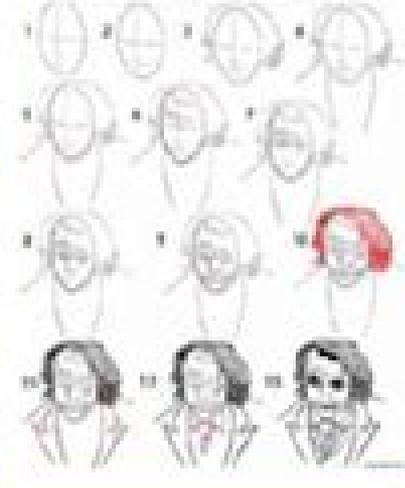

Start with simple line sketching to get the size and shape right then build and add detail

Use different kinds of lines and marks and draw in different ways

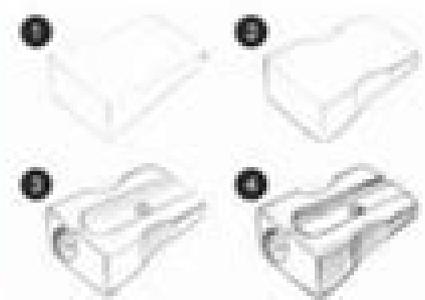

Put lots of drawings on one page and show different skills - shading, colour, media etc.

If drawing faces, work slowly and build up on detail and ensure things are in the right place

Always work from basic lines and shapes and then build up the detail

Keep things simple at the beginning and then really look at what you are drawing and add more lines each time
