American Architectural Drawings George S. Koyl,1969 **The Best Gift** Margaret Beckman,Stephen Langmead,John Black,1984-01-01 This book is a vivid reminder of the early days of library development in Ontario The beautiful buildings which still grace Ontario towns and villages as illustrated are a part of our provincial heritage By the turn of the century a public library was perceived as an important element in the civic fabric of almost every Ontario community However the introduction of the Carnegie grants for library buildings gave impetus to the Ontario government programme for library development and provided a focus for increased support of library services Rivalry among neighbouring communities to secure a Carnegie library heightened this awareness as did the publicity in some instances even controversy which surrounded each step of the grant seeking site selection and plan approval process As well the hitherto unexplored story of Carnegie grant process in each community has been examined and the role of one man James Bertram secretary to Andrew Carnegie is revealed in absorbing detail Library plans and design elements are also discussed and the influence of a few architects on the building designs is revealed the fascinating involvement of Frank Lloyd Wright in the Pembroke Carnegie library building is one such example **Marion Mahony Reconsidered** David Van Zanten,2011-07 Marion Mahony Griffin 1871 1961 was an American architect and artist one of the first licensed female architects in the world designer for Frank Lloyd Wright s Chicago studio and an original member of the Prairie School of architecture Largely heralded for her

exquisite presentation drawings for both Wright and her husband Walter Burley Griffin Mahony was an adventurous designer in her own right whose independent and highly original work attracted attention at a moment when architectural drawing and graphic illustration were becoming integral to the design process This book examines new research into Mahony s life and paints a vivid portrait of a woman s place among the lives and productions of some of our most noted American architects The essays included take us on an ambitious journey from Mahony s origins in the Chicago suburbs through her years as Wright s right hand woman and her bohemian life with her husband in Australia whose new capital city Canberra she helped to plan up until her golden years in the middle of the twentieth century Filled with richly detailed analyses of Mahony s works and including and populated by an international cast of characters Marion Mahony Reconsidered greatly expands our knowledge of this talented complex and enigmatic modern architect **Catalog of Copyright Entries** Library of Congress. Copyright Office,1976 **Architecture Draft Des** Donald E. Hepler,Hepler,1990-03 **The Building News and Engineering Journal** ,1904 On Frank Lloyd Wright's Concrete Adobe Donald Leslie Johnson,2013 The book provides a unique in depth and critical analysis of Wright s concrete block houses set within their historical biographical and theoretical contexts In particular it shows the full impact upon Wright of his contemporaries architects Irving Gill and Rudolph Schindler In doing so it allows a full appreciation of Wright s Gill s and Schindler s buildings beyond their architectonic and experiential qualities *American Carpenter and Builder* ,1911 **The American Architect** ,1909 *Western Contractor* ,1911 **Carpentry and Building** ,1909
