## **Dream Chronicle's Guide:**

*Home on the Strange* Susan Lundy, 2021-05-25 A funny heart warming ode to motherhood written by an award winning journalist and humour columnist For Susan Lundy motherhood began when she moved into her boyfriend's Salt Spring Island home at the age of twenty one Her new living arrangement came with furniture a pair of kids and a biting gerbil named Quasimodo Susan was a career oriented budding journalist eager to write her way to fame and fortune Becoming a mom was not part of her plan at least not yet But after surveying her new domicile with quiet horror at first she grew into her new role discarding many of the lessons her mother had given her about keeping house and inventing her own rules as she went along By the time her two daughters were born Susan had already fallen deeply in love with motherhood Moreover she chronicled her family's topsy turvy Gulf Island life in a collection of popular newspaper and magazine columns *Home on the Strange* follows Susan's journey from pregnancy to parenthood career milestones to birds and bees talks separation to new love at mid life and cross country road trips to empty nesting during a global pandemic Charming poignant and frequently hilarious this is the perfect book for mothers or moms to be at any stage of their journey *Letters from the Closet* Amy

Hollingsworth, 2013-05-07 An honest and poignant look into the deeply intimate yet platonic relationship between a gay English teacher and his young female protégé each seeking connection and acceptance as reflected by the decade of letters they exchanged It was an improbable relationship from the start a high school English teacher still in the closet and his best student From the confines and protection of his closet Amy's teacher wrote these letters letters that were read cherished answered and then locked away for years Now Amy looks back at the decade of intimate letters that preceded her teacher's untimely death collects the shards left by their clumsy sometimes violent attempts to unmask each other and counts again the cost of knowing and being known Every writer needs a room of his own but for some people at certain times and in certain circumstances the best you can do is a closet Timely and relevant this is a love story of the most contemporary kind a rare glimpse into an intimate relationship between teacher and student a relationship whose effects are still being felt decades later It's raw and honest and moving a poignant commentary on the values that unite us all **Philip José**
