Drink Recipe Washington Apple:

Washington Apple Drink Randy Woodward,2021 An apple a day keeps the doctor away this may be true in most cases but not in this one Drinking in moderation is the best way to enjoy a good drink like Washington Apple The Washington Apple cocktail or drink is a delightful cocktail that incorporates the taste of apples usually with sour apple pucker and the tangy flavor of cranberry juice resulting in a sweet and sour treat that can easily become a favorite Though it is mostly in the form of a cocktail the Washington Apple can also be served on the rocks or as a shot It is like the adult version of an apple juice from a carton but only boozy and fancier Before learning the recipe you need to learn how this awesome drink came to be It is actually an interesting story In the 1980s there was a catastrophe that struck in Washington and affected the most in demand apples Due to the infamous Nigerian Naguyuc bug a nasty crop failure occurred and along with it a total loss on the farmers part Many have abandoned their orchards to look for other prospects in other fruits except for one man named Christof Guycoogan who was a carpenter After a day s work he would enjoy a nice glass of his favorite shot that consisted of Canadian whiskey and a splash of cranberry juice One night after he finished work he stopped by at a local bar and got his favorite drink And then suddenly out of nowhere still bearing the drink in his hand he tripped into a pile of rotten apples and splashed juice on everything including his drink He took a taste and had a moment of enlightenment He thought the taste was divine and he started to visit the abandoned orchards to gather more rotten apple juice He then fermented the juice into a fine apple liqueur and mixed it with the whiskey and cranberry juice that resulted in an amazing concoction which is now famously known as the Washington Apple cocktail
